MIDWAY LEASERS TO COMMENCE SHIPMENTS

FIRST CARLOAD ABOUT READY TO GO FORWARD TO BELMONT MILLING PLANT

The leasers on the old workings of the Tonopah Midway Consolidated are about ready to begin shipments. Messrs. Walther, Cooper and Pearson have 45 tons out and with another 5 tons will send out their first consignment. The next to ship will be Hill, Gavin and Dabovich.

There are now thirteen sets of leasers at work and all of them have more or less ore in sight. It is probable that Superintendent Douglas will let still more blocks of ground. The tributaries have arranged with the Belmont company to work the ore in the mill of the company at Millers.

MRS. BEVIS DIES AFTER OPERATION

SHE AND HER HUSBAND WELL KNOWN THROUGHOUT NYE COUNTY

(Special to the Bonanza.) GOLDFIELD, May 10.—Mrs. Edward Bevis died this morning in a hospital in this city as the result of an operation. She is survived by her husband and by her parents, who live in Chicago. Mr. and Mrs. Bevis have many friends in this community, were pioneers of the new southern Nevada, coming here at the time of the discoveries. They lived in Rhyolite for several years, coming to Tonopah for a time and then returning south. Mr. and Mrs. Bevis had many friends in this community and at Tonopah. He has been engaged in mining since coming to this state. There were no children.

BRATTON AND DELL EVENLY MATCHED

FIGHTERS TRAINING DAILY AT THE VOLUNTEER DEPARTMENT GYMNASIUM

Jack Bratton and Harry Dell, who fight at the Airdome on the 18th for the featherweight championship of the Pacific coast, are drawing daily big crowds at their training and from consensus of opinion they appear to be evenly matched for any betting yet. They may be seen daily in action at the volunteer firemen's gymnasium and later in the week at the Big Casino.

Bobby Trudgen, Tonopah's favorite, is training with Dell and will meet Jack Smith of San Diego in the special event of ten rounds. He is of Frank Field's stable and is training at Goldfield with Sailor Kirk. Despite the fact that the Tonopah Athletic club's last card was the best seen in Tonopah for many a day, this month's card can be conceded even better and should be a great boost to athletics for southern Nevada.

FALSE RUMOR OF FIRE

Tonopah people became greatly excited this morning through exaggerated rumors of a fire at Mina. It was finally reported that the entire car shop plant was totally destroyed. The Bonanza worked the wires with the result that it traced the rumor down to a warehouse fire at Schurz, on the Indian reservation.

FOURTEEN AUTOS GO TO VOLCANO

PAUL WEISSE IS THE LATEST TO FIND SHIPPING ORE IN THE NEW DISTRICT

One of the most striking and interesting developments in Volcano district since the Bonanza's latest report is the find made by Paul Weisse 2 1/2 miles north of the original strike and about one mile from the spring. He found the ore on the surface and only scratched it to a depth of about six inches, where it seemed to be in place. The rock runs an average of 400 ounces of silver to the ton. A specimen ran \$266 in gold and silver.

Nick Ableman, who visited the main strike yesterday, says the vein now shows a width of 4 1/2 feet, part of which, owing to the proximity to the surface, is still filling. There were fourteen machines from Tonopah at the scene of the discovery yesterday. Some of the autos returned light as their occupants took with them supplies and equipment and will remain on the ground and begin work. Three leases on the Glenn property will start exploration work this week and others will begin soon.

BUTLER THEATER

Tonight's the night—to see another one of our popular Monday features. This time it is Thomas W. Ross, in Henry M. Blossom Jr.'s great success "Checkers," the great race track story, which as a book and play has delighted hundreds of thousands—as a moving picture in five great parts, in bringing delight to millions. It is a wonderful race-track drama of heart interest and stirring situations. Thomas W. Ross plays the lead as Checkers, supported by a strong cast of Broadway favorites. It is a picture that will please you. The Pathe Weekly will be run just ahead of this picture, making an interesting six-reel program. One matinee at 1:30; two shows at night at 7 and 8:30. Admission 10 and 15 cents.

Next Sunday is the last number of "Runaway June." Guess the climax of this serial story and win the prize. Why has the man with the black Van Dyke been pursuing June all over the country? How does it finish? Address your 100-word answer to H. E. Epstein, and have it in our hands by Friday night. The winner will be announced from the stage on Sunday. Tomorrow "The Exploits of Elaine" and a George Ade fable. Thursday, "Three Weeks."

THE PASTIME THEATER

There will be seven reels shown at the Pastime today. "The Pursuit of the Phantom," five reels, and "The Scratch of a Pen," two reels. "The Pursuit of the Phantom," written by Hobart Bosworth, is a distinct novelty in photo-play productions with many unusual situations and with an appeal which will reach everyone.

Through the play run three charming love affairs, each in its course bringing home forcefully one of the lines in the quotation. The play sparkles with humor and is set amid scenes of unusual scenic beauty. Underlying the highly dramatic story and swift action is a delicate fantasy and deep feeling.

Owing to the length of the program the performance tonight will start promptly at 7; second show about 8:45.—Adv.
